Re: SB 1399 NOW: water storage; plan report

Date: April 14, 2016

SENATE ENGROSSED

SB 1399 requires a copy of a dam affidavit to be recorded in the County Recorder's Office.

HOUSE ENGROSSED

SB 1399 requires the State Land Commissioner and the Director of the Department of Water Resources to develop a plan to construct a potential new water storage facility on state trust land.

CONFERENCE COMMITTEE AMENDMENT

The Senate and House Free Conference Committee amendment revises the language of the bill to require the State Land Commissioner and the Director of the Department of Water Resources to complete a preliminary investigation of six potentially acceptable sites to build new water storage facilities on state trust land and adds that new water storage facilities may be on the earth's surface or underground storage facilities.
